

## Installation

1. Mount metal brackets to head unit and pocket

Connect all required circuit points and push the head unit into dashboard

2. *(Optional: install microphone in pocket of the backside of fascia plate)*

3. Push fascia plate over the head unit and fix it with original Torx (TX20) screws

Reinstall everything in reverse order to finish installation.

## Installation Manual 2-DIN Kit with pocket KIT-HALO-VW303
