Model:	Ducato Jumper Boxer
Year:	2015>
Kit content:	Double DIN fascia plate mounting brakcts + screws Mounting brakcets + screws
Compatibility:	Compatible with double DIN device

## INSTALLATION MANUAL

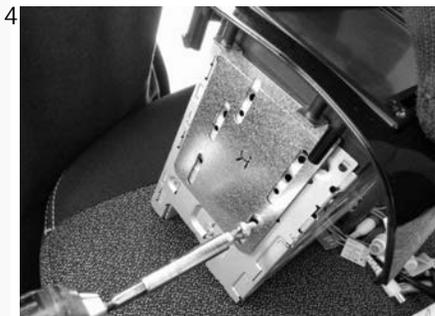

1 Remove the original plastic and the original car unit.  
Unscrew the four screws circled in the figure and remove the metallic grid.

2 Cut and remove the plastic parts along the dotted white line in the figure.

3 Put the mounting brackets on the new fascia plate provided and fix them with screws. Pay attention to the letters on the brackets.

4 Take the AFT unit and fix it to the assembly with screws.  
Adjust the distance during the fixing in order to reach the right ledge of the unit.

5 Connect all cables, verify the proper functioning of the system and insert the radio-frame into the housing.  
This is the final result.
