

The Interface has various functions so here is a list of them all:

- **Press Wheel IN/SRC** - Enter Menu & Select once in Menu & SOURCE in Radio operation.
- **VOL +/-VOL** - Works just the same
- **Wheel UP/DOWN** - navigate menu up/down & seek up/down in Radio operation
- **HANG-UP/MUTE** - Back in menu & Mute in Radio operation

## Settings

This is the first screen of the menu, you can make any selection you wish from here.

**Time Date**  
**Vehicle Settings**  
**Logo Select**

## Settings

Now if you press DOWN on the wheel the highlighted item will change to the one below.

**Time Date**  
**Vehicle Settings**  
**Logo Select**

## Settings

**LOGO SELECT** on the menu is the one that is required.

**Time Date**  
**Vehicle Settings**  
**Logo Select**

## Settings

Press **IN** on the SRC/WHEEL to go into the **LOGO SELECT** settings.

☒ **Kenwood**  
☐ **Vauxhall**  
☐ **Opel**

## Settings

Now you can scroll **UP/DOWN** on the SRC/WHEEL to select the required setting you want to appear on the display.

☐ **Kenwood**  
☐ **Vauxhall**  
☒ **Opel**

## Settings

Once you have selected the option you require then to go back to the main menu you press **PHONE HANG-UP/MUTE**, this will return you to the previous menu.

**Time Date**  
**Vehicle Settings**  
**Logo Select**

The same actions are applied to whatever menu you wish to change.
